

UNWINDER TABLE UNIT MISTER TURNER

It is not quite as flexible and comfortable as **MISTER TWISTER**, but it is even more reasonably priced while fulfilling almost the same requirements. The unit can be screwed to a table with 2 screws (or clamps). Using an assembly bracket you can also install the unwinder on the wall. The simple handling will make this unit pay for itself in no time.

The meter counter (optional) for length measurement (order-no. MISTER METER) can be installed with a suitable plug.

Winding-Ø: 150 - 270 mm, variably adjustable.

Max. winding width: 150 mm

W x H x D: 930 x 340 x 340 mm
