MULTISNAKE

The Medusa MultiSnake is perfect for organizing acoustic instrument and vocal frontlines.

We've combined our MultiDirector's four premium direct boxes with a 4 channel mic snake into a single small stagebox measuring 9.5" (with handle) X 5.25" X 2.5".

Use for:

- Acoustic and bluegrass bands
- Stereo keyboard rigs
- DJs and hip-hop mixing

Stock length is 50', or available in custom lengths, to allow for use as a main snake with small ensembles or as a drop-snake in larger systems. Multipin disconnects are also available as a custom option.

Model - MLTSN4X4-50
